Dear fighters, coaches, and lovers of the noble art

Kumanovo has never been just a city – it's a battleground where champions are made. Boxing runs through our veins, forged by sweat, discipline, and the legacy of those who came before us. For decades, this city has produced warriors who have conquered Olympic, European, and international arenas. And none of this would have been possible without the man who started it all – Miroslav Petrovich.

In his honor, we invite you to the 2025 Miroslav Petrovich International Boxing Tournament, where fists will fly, hearts will be tested, and new legends will rise. This is more than a competition—it's a tribute to those who fight, who endure, and who never back down.
